AMAZING WORLDWIDE RACE

Agenda & Activities

Welcome & Warm-Ups (5-15 minutes) Atlanta Challenge staff welcome the participants and set expectations for the event. We then lead some fun activities to get everyone moving and excited.

Team Up (10 minutes, optional) Utilizing a few fun and interactive “games,” we randomly create small teams. Each team creates a name and cheer for their group.

The Race (1-2 hours) Teams solve clues that lead them to a series of “destinations,” each with a themed challenge. To ensure that everyone stays active the entire time, the event is scored based on how many total points a team achieves before time runs out, not who finishes first.

Destination Clues: Teams solve clues to determine their next destination, then take their “ticket” to the appropriate destination station to receive instructions for their team challenge.

Destination Challenges: When teams “arrive” at their destination, they will complete the challenge they are given there before moving on. These can include brainteasers, trivia, video productions, and a wide variety of hands-on activities. *Here are a few examples:*

Pyramid Power: Teams travel to Egypt to work on these ancient Egypt themed puzzles.

Photo Shoot: On a remote tropical island, teams take a series of hilarious pictures of themselves acting out various jungle scenes.

Tower Challenge: Teams build a tower to a minimum height using only the materials provided.

Words of Wisdom: Teams act out a success poster, using quotes from ancient philosophers, and the matching apparel from the age.

Lost City: Teams move objects through a path among the ruins, using only the team device. Patience and planning are essential!

Scoring (15 minutes) Teams finalize their score sheets and complete their team debrief questions page. Team scores are announced from lowest to highest.

Wrap-Up (5-10 minutes) At the end of the program, the teams come together to share their experiences and the lessons they have learned.
