GAMES FOR THRONES

Agenda & Activities

Welcome & Warm-Ups (20-30 minutes) Atlanta Challenge staff welcome the participants and set expectations for the Game of Thrones team building. We then lead some fun warm-up activities that also randomly create small teams of 8-10 people.

Team Up! (5 minutes) Each team creates a name, war cry and team flag which represent their commitment to claiming the ultimate honor.

Event Intro (5 minutes) Our staff hand out any supplies the teams need, and review the rules and timeline for the program.

Team Games (60-180 minutes)

Possible outdoor team building activities include:

Catapult Castle Bust: Use a 4-foot catapult to take out an opposing team's castle, while your team races to build their own castle under fire.

Sword Duel: Opponents face off in the sword duel ring, but the rest of each team can reach in and take a swing as well. Only cunning warriors will survive!

Dragon Golf: Pitch dragon eggs toward the goal in this fast-paced, group-scoring field game.

Battle Ship: A battle at sea with a bit of dodge ball, and a lot of strategy.

Quarter Staff Fight: Partners try to knock opposing team members off a set of logs, while dodging the incoming shots of the non-fighting participants.

Crossbow Tag: In this medieval version of laser tag, teams race to gather ammunition (foam darts) and then fire at the opposing team. Coordination, cooperation, accuracy and strategy are key to success!

Half Time Show (optional) (20-30 minutes) To ensure that no one gets overheated, we take a short, entertaining break half way through the program. Each team develops a brief, warrior-themed show to present to the group.

Winner Presentation We acknowledge the high scoring team for each game, and the overall winner of the outdoor team building activities.

Wrap-Up (10-15 minutes) Teams finish the team bonding activities by sharing their insights about what it takes to be a successful warrior (team player) and how they can work together to be a successful kingdom (team).
