

TEAM BOND

MINI GOLF FOOD DRIVE

A fun charity team building where teams develop their creativity and give food to the hungry.

Overview

This corporate social responsibility activity helps your group practice teamwork skills while providing needed food in the community. Teams of 8-10 people receive a wide assortment of materials and non-perishable food items which they use to design and build their own miniature golf hole. Teams then take turns playing the other teams' holes as they rate them. At the end of the food drive team building, the group packs the food items for donation to a local food pantry.

Goals

- ✓ Practice project planning and follow-through.
- ✓ Strengthen positive team attitudes.
- ✓ Build morale and relationships.

1½ or 3 hours

Activity:

Light

Location:

Indoors

Group size:

20-500 people

Includes:

Complete facilitation, all program materials, team bandanas, food items and delivery to charity, event pictures.

MINI GOLF FOOD DRIVE

Agenda & Activities

Welcome & Warm-Ups (10-15 minutes) Atlanta Challenge staff welcome the group and set expectations for the charity team building. We then lead some fun warm-up activities that get the group moving and ready to fully participate.

Optional: Fundraising Challenges (30-90 minutes) The teams earn their budget for the main CSR activity by working through a series of assignments that require brainstorming, collaboration, planning and creative problem-solving. Some of the possible activities include team and/or company trivia, brainteasers, or hands-on team projects. *Activity selection is determined based on space available, time allowed, and goals of the group.*

Design Session (5-10 minutes) Participants review the materials available to them and the “budget” they have for acquiring the materials. The group then reaches a consensus for their design.

Building Phase (30-60 minutes) Each team builds their own unique mini-golf hole using the materials and food items provided, along with their own ingenuity. This challenge requires a great deal of cooperation, trust and “start to finish” planning to enable the team to be successful.

Playing (30-60 minutes) Teams play their way through the other team’s holes, evaluating each

hole’s quality and creativity. The competition heats up as teams vie for the best overall score.

Scoring (5-10 minutes) Each team submits their scores for playing the various holes, and their evaluations of the other holes. Best scores for playing, creativity, and quality are announced, as well as the overall high scoring team.

Donation Prep (5-10 minutes) After the main event, teams complete the charity team building by packing the food drive items for donation to a local food bank or other charity.

Team Review & Wrap-up Activity (5-10 minutes) The team shares their observations about how they performed, and how to apply those lessons to specific situations faced on the job. We end with a fun, but thought provoking activity and a great group picture.
