

OUTDOOR TEAM FUN: HUNTS

i-Chase™

A high-tech treasure hunt with a wide variety of challenges and team-versus-team shenanigans!

Overview

iChase has all the fun of our regular Teamwork Hunts, but with added technology twists. Each team has their own tablet computer which contains all of their mission information. Teams race to earn points by solving clues, taking pictures, answering trivia, and finding special locations which will have a variety of challenges to overcome. As they travel, teams can see where other teams are on their GPS map, know everyone's score, and send text messages and screen blocks.

Agenda & Activities

Welcome & Warm-Ups (10-20 minutes) Atlanta Challenge staff welcome participants and set expectations for the event. We then lead some fun warm-up activities that also randomly create small teams.

Team Pride (5-10 minutes) Each team creates a name and slogan which represent their commitment to success and teamwork. Our staff members hand out iPads and other supplies to the teams, and review the rules and timeline for the program. The teams review their materials and discuss what their strategy will be for the event.

The Hunt (1-2 hours)

Photo & Video Missions: These are fun shoots teams take of themselves, and sometimes other teams, doing specific things or in certain locations to stretch their creativity and their camaraderie.

Hints: In their iPads, teams have a list of hints they can solve to find the secret GPS locations where trivia and other challenges pop up.

Questions: At specific GPS locations, questions about the surrounding area will pop up in the iPad. Quick thinking and teamwork are key!

Brainteasers: Teams work on this collection of various mental challenges for extra points as they travel. Participants apply critical & creative thinking, and plan how to fit the extra projects into existing schedules.

Puzzles: Various puzzles pop up on the GPS in certain locations. Read the directions carefully—there is a new puzzle every time.

Facilitator Challenges: Teams have the opportunity to do these bonus challenges whenever they find an Atlanta Challenge facilitator in the hunt area.

Rendezvous Challenges: These hands-on challenges take place at a scheduled time and a secret location.

Scoring (15 minutes) Teams reconvene at the starting area to finalize their scoring and begin working on their teamwork presentations.

Wrap-Up (15 minutes) At the end of the program, the teams all come together to share their experiences and the lessons they have learned. We end with a fun closing activity and a great group picture.
