CHARITY TREASURE HUNT

A fun and unique charity treasure hunt, where teams earn cash to shop for items for children in need.

Overview

Teams put on their thinking caps and their walking shoes in order to make a difference in this fun and fast-paced charity treasure hunt. Your team will solve puzzles, take pictures of themselves doing outrageous things, decipher codes, find secret locations and face off against other teams in mini challenges, while they work cohesively as a team in a high-energy, fun way. The more points they earn, the more cash they get to purchase items for local children in need. At the end of the event, teams shop for and pack items for the backpacks, gift bags, or Christmas stockings.

CHARITY TREASURE HUNT

Agenda & Activities

Welcome & Warm-Ups (5-10 minutes) Our staff welcome the participants to the charity scavenger hunt and get everyone ready for a great event. We then lead some fun warm-up activities that also randomly create small teams.

Team Up! (5-10 minutes) Teams take a few moments to create a name and slogan for their team, and build some team spirit and unity.

Event intro (5 minutes) Our fun and professional staff give the group a quick tutorial on the app and the other event components to ensure a smooth start.

The Hunt (1-2 hours) Teams use the map in the app and items within the area to unlock a variety of challenges. Possible charity treasure hunt games include:

Giving Games: To get participants in the giving mood, some activities challenge them to give back in the moment, such as performing Random Acts of Kindness, thanking a service worker, or making a (free) donation.

Site Snaps: Teams take fun pictures of themselves, and sometimes other teams, in these entertaining shots that encourage camaraderie and teamwork.

Staff Challenges: Whenever a team finds one of our staff, they can take on bonus missions for big points. These short team building activities require good teamwork to be successful.

Value Videos: To practice CSR values, teams shoot short PSAs encouraging others, sharing stories of everyday heroes, and more.

Fact Finders: Teams answer trivia questions about the local Atlanta area, Georgia, or shopping.

Travel Trivia: Teams solve brain teasers & get to know their team mates better in these on-the-go challenges.

Scoring (5 minutes) Teams meet at a rendezvous location to turn in their treasure hunt scores and get their shopping money and recommended shopping list.

Treasure Gathering (45 minutes) Teams take the cash they have earned and go to nearby stores to purchase items for their care package. They will need to be well organized and motivated to find the best deals in order to stretch their budget as far as they can, and find everything they need in time.

Assembly (10 minutes) Teams reconvene to assemble their gift bags and begin working on their team highlights.

Wrap-Up (10 minutes) At the end of the program, the teams share their experiences and the lessons they have learned. We end with a fun closing activity and a great group picture.
