*"I think that this was one of the best retreats that we have had. I would certainly recommend that Atlanta Challenge be the one to conduct this next year as well!!" ~ GA Tech Faculty*

# GAME OF GAMES

## Agenda & Activities

**Welcome & Warm-Ups** (5 minutes) Atlanta Challenge staff welcome the participants and give a quick overview of the event. We then lead some fun warm-up activities.

**Team-Up** (5-10 minutes) If the group is not already split into teams, we use our last fun, light-activity warm-up game to randomly sort participants into teams.

**Introduction & Instructions** (5 minutes) Atlanta Challenge staff explain the rules for the game, and facilitators distribute answer sheets and other program materials to every team. Each team selects a secretary to write their answers.

**The Game** (1-2 hours) Table-teams earn as many points as they can by working together to complete several mini games. Each game is worth a set amount of points if completed. The giant game board will be physical or virtual depending on room layout.

**Sample games:** Whenever a team “lands” on a certain square, they are given the corresponding mini-game and the special team rules for completing it. When completed, the teams rolls the dice and moves to their next square. *Some of the games include:*

- Team Boggle
- Giant Jenga
- Relay Pictionary
- Speed Scrabble
- Quick Clues
- Danger Dominoes
- Remote Operation

**Bonus challenges:** Some squares give teams an opportunity to complete special missions, which can be customized to your event. These typically include:

- Trivia challenge
- Photo challenge
- Video challenge
- iPad challenge

**Scoring & Prizes** (5 minutes) We announce team scores from bottom to top, recognize the winning team and hand out prizes if made available by client.

**Wrap-Up** (2 minutes) We express our gratitude to the group, take a team picture if appropriate, and make any announcements the group needs before breaking.

### Service Project Option

Teams use the points they earn to “purchase” items from a store that we set up at the event.. At the end of the event, teams place their items into a backpack or gift bag or box. This can be done as a food drive, back-to-school backpacks, emergency shelter pack, gift bag of toys, etc. Add \$10-20 per person depending on how much you want to give.
