

OUTDOOR TEAM FUN: HUNTS

STREETCAR HUNT

Travel on the Atlanta Streetcar system to see the sights, take pictures, solve trivia and have a blast.

Overview

Using the downtown streetcar system for transportation, teams navigate around the city to see some of Atlanta's biggest attractions and landmarks. Each station in the game area has several opportunities for earning points. Teams set their own pace, and decide which stations they think will give them the maximum points. They will solve puzzles, take pictures of themselves doing outrageous things, decipher codes, find secret locations, and face off against other teams in mini challenges while they work cohesively as a team in a high-energy, fun way.

Goals & Outcomes

- ✓ Build communication and listening skills.
- ✓ Explore historic and popular areas in downtown Atlanta.
- ✓ Get to know team mates better while building morale & camaraderie.

STREETCAR HUNT

Agenda & Activities

Welcome & Warm-Ups (10-20 minutes) Atlanta Challenge staff welcome the participants and set expectations for the event. We then lead some fun warm-up activities that also randomly create small teams.

Team Identity (5 minutes) Each team creates a name and slogan which represent their commitment to success and teamwork.

Intro (10 minutes) Our staff members hand out supplies to the teams, and review the rules and timeline for the program. The teams review their materials and discuss what their strategy will be for the event.

The Hunt (1-2 hours) Each stop along the route has different challenges from each of the following categories. Teams decide which points they want to go after, while keeping an eye on the streetcar schedule.

Facilitator Challenges: If teams spot a facilitator along the route or on the streetcar, they can tackle a bonus challenge that is sure to be worthy of a few laughs and picture or two.

Station Challenges: These hands-on challenges are themed to match the history and flavor of the location they are found in.

Brainteasers: Teams work on this collection of various mental challenges for extra points as they travel. Participants apply critical & creative thinking, and plan how to fit the extra projects into existing schedules.

Photo Missions: These are fun pictures that teams take of themselves, and sometimes other teams, doing specific things or in certain locations to help stretch their creativity and their camaraderie.

Trivia: Teams answer trivia questions about the area around each streetcar stop. They'll need an attention to detail to spot as many as possible.

Landmarks: Teams receive a page full of pictures that are close-ups of various landmarks in the hunt zone. They receive points for those they find and correctly identify.

Scoring (15 minutes) Teams reconvene at the starting area to finalize their scoring and begin working on their teamwork presentations.

Wrap-Up (15 minutes) At the end of the program, the teams all come together to share their experiences and the lessons they have learned. We end with a fun closing activity and a great group picture.
