

TEAM FUN

TAILGATE

A fun collection of popular tailgate and backyard games enhanced for a rousing team against team competition.

Overview

We've taken tailgating and turned it into an exciting team event. With a wide range of games set up in a themed zones, teams rotate through each arena of games, trying to get the best score in each game, and overall high score. A great event for a group that has been sitting all day and needs to blow off some steam. Add your own barbeque or tailgate-style foods and you have a fun alternative to the standard cocktail reception or company picnic.

Service Project Option

Teams use the points they earn to “purchase” items from a “store” we set up at the event. At the end of the event, teams place their items into a backpack or gift bag or box. This can be done as a food drive, back-to-school backpacks, emergency shelter pack, gift bag of toys, etc. Add \$10-20 per person depending on how much you want to give.
