Agenda & Activities

Welcome & Warm-Ups (5-10 minutes) Our staff welcome the participants to their fun service project, and get everyone ready for a great event. We then lead some fun warm-up activities that also randomly create small teams.

Team Up! (5-10 minutes) Teams take a few moments to create a name and slogan for their team, and build some team spirit and unity.

Event intro (5 minutes) Our fun and professional staff give the group a quick tutorial on the app and the other event components to ensure a smooth start.

The Charity Hunt (1-2 hours) Teams use the app to unlock and complete tasks to earn “impacts” to donate tangible benefits to specific causes around the world. Some of the charity-themed scavenger hunt games include:

Helping Hotspots: Each hotspot within the hunt zone is dedicated to a specific charity project. Team complete tasks at hotspots to earn maximum benefit for their favorite projects.

Giving Games: To get participants in the giving mood, some activities challenge them to give back in the moment, such as performing Random Acts of Kindness, thanking a service worker, or making a (free) donation.

Site Snaps: Teams take fun pictures of themselves, and sometimes other teams, in these entertaining shots that encourage camaraderie and teamwork.

Value Videos: To practice CSR values, teams shoot short PSAs encouraging others, sharing stories of everyday heroes, and more.

Staff Challenges: Whenever a team finds one of our staff, they can take on bonus missions for big points. These short team building activities require good teamwork to be successful.

Fact Finders: Teams answer trivia questions about the local Atlanta area, Georgia, or topics related to the charity project they are benefitting.

Travel Trivia: Teams solve brain teasers & get to know their team mates better in these on-the-go challenges.

Scoring (5 minutes) Teams turn in their materials, and then the final scores are dramatically revealed.

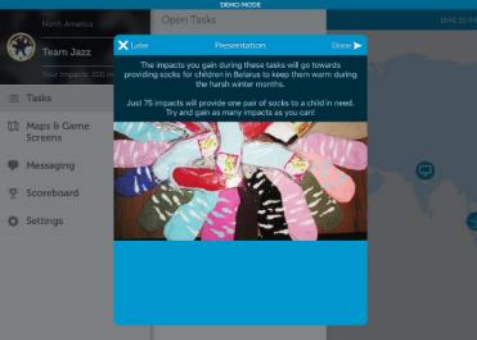

Wrap-Up (5 minutes) We announce the various ‘impacts’ created by group around the world. The winning team then chooses which project receives any remaining donation credits. We end with a fun closing activity and a great group picture.

After Party Slideshow If you want to have a more celebrational wrap up to your charity scavenger hunt, or just run pictures during dinner, we can provide you with a website link so that your team can immediately view photos and videos from your event.
