Six Flags Hunt

An app-based amusement park scavenger hunt that has something for everyone, whether they like roller coasters or not.

Overview

Our Six Flags scavenger hunt has something for everyone, and keeps your group interacting with each other, no matter how spread out they get. Teams will use our amazing app to search throughout the park for secret icons to scan, fascinating facts, team photo missions, hysterical video challenges, and so much more. A great way to enjoy the park even while standing in line. Participants can play as teams or individually. The hunt can be for a couple of hours as a race, or be an extra game they play all day as everyone enjoys the park at their own pace.

Agenda & Activities

Welcome & Warm-Ups (5-10 minutes) Our staff welcome the participants to the park and get everyone ready for a great event. We then lead some fun warm-up activities that also randomly create small teams.

Team Up! (5-10 minutes) Teams take a few moments to create a name and slogan for their team, and build some team spirit and unity.

Event intro (5 minutes) Our fun and energetic staff give the group a quick tutorial on the app and any other event components to ensure a smooth start to their Six Flags scavenger hunt.

The Six Flags Hunt (1-2 hours or all day) Teams use interactive maps in the app and items within the park to unlock a variety of challenges. Activities include:

Photo Quest: Teams look for the best places to take photos and selfies such as playing games, begging for goodies, optical illusions and other park themed portraits.

Super Challenges: Whenever a team finds an Atlanta Challenge facilitator in the park, they get access to high scoring bonus missions such as filming an infomercial for the park, celebrity encounters, mini park games and other surprises.

Traveler Trivia: Participants get to know each other better through these fun trivia questions about places they've been and daring activities they have participated in.

Brain Games: To keep the brainy types on your team happy, each group is provided with a menagerie of puzzles, codes, and brainteasers to keep the brain engaged while wandering the park, or waiting in line.

Close-ups: Throughout the park, we have taken pictures of interesting items, but zoomed in to one small part of it. Will your team be able to spot them?

Six-Flags Fun Facts: Release your inner nerd as you find answers to a wide variety of park based trivia.

Backpack Missions: Each team is provided with a backpack full of an odd assortment of materials that they will use for pop-up missions as the app activates at hot spots around the park. Videos, puzzles, and even flash mobs are possible.

Scoring (5 minutes) Teams turn in their materials, and then the final scores for the amusement park scavenger hunt are dramatically revealed.

Wrap-Up (5 minutes) We end with a few final thoughts and an awesome group picture.
