VIRTUAL GAME SHOW

Agenda & Activities

Welcome & Warm-Ups (5 minutes) Atlanta Challenge staff welcome the participants and give a quick overview of the game show and how to download and use the app.

Team-Up (5-10 minutes) If the group is not already split into teams, we conduct a fun, light-activity game to randomly sort participants into teams and get them set up in their private zoom rooms.

The Game Show (1-1½ hours) The group works within their teams to earn the highest score by answering a series of trivia questions, solving team challenges, and deciphering brainteasers.

Sample on-screen challenges:

Trivia Round: Teams are given 5 seconds per question to come up with their answers, and 30 seconds at the end of the 10-question series, giving them a chance to strategize how they will get the best answers.

Music Round: Teams try to name the artist and/or song title performed in the 5 second sample.

Photo Round: Teams correctly identify the item, person or place in the slideshow, but the pictures can be tricky, and they are not displayed for very long.

Movie Mania: Teams watch short clips from a series of iconic movies and try to correctly identify them.

Show Me: Like a scavenger hunt, but backwards. The game calls out an item and every team member scrambles to find that item and pose for a team picture before time runs out.

Scoring & Prizes (5 minutes) We announce team scores from bottom to top, recognize the winning team of the game show team building and announce prizes if made available by client.

Wrap-Up (2 minutes) A thank-you to the group, team picture if appropriate, and any announcements the group needs before breaking.
