Event intro *(5 minutes)* Our fun and professional staff give the group a quick tutorial on the app and the other event components to ensure a smooth start to their indoor scavenger hunt.

The Museum Challenge *(1-2 hours)* Teams use interactive maps in the app and the exhibits themselves to unlock a mixture of challenges. Possible nature treasure hunt activities include:

Video Missions: Teams find the perfect locations to produce mini videos such as "how to survive a dino attack," "care and treatment of your pet shark" and other site-inspired topics.

Animal encounters Find one of our facilitators as they roam around to get a team portrait with a famous wildlife celebrity.

Photo Missions: Teams attempt to be in the right place at the right time to get the perfect shot of their group.

Back In Time: Teams watch brief clips from famous movies and try to identify the movie, actor, or song in the popular movie clip.

Swarm Challenges: At random times, we will release bonus challenges into the game. Teams will have to race to the new location and try to complete the challenge before the competition gobbles up all the points.

Scoring *(5 minutes)* Teams turn in their materials, and then the final scores are dramatically revealed.
